

### Blue-Iron™

Blue-Iron™ is a UHMW liner with 1% silicone for extremely high wear and non-stick properties

#### Product features

- Available up to 13' (156") wide
- Perfect for hauling gravel, fly, ash, coal, limestone, sand, clay, salt, sludge and dirt
- Thicknesses include 1/4", 3/8" and 1/2"
- Over six times more abrasion resistant than steel
- UHMW can withstand heavy impacts
- Material is available without seams
- Virtually eliminates slip-stick common in dump truck operation

#### Additional information

- Red Hot™ is UHMW with additives that allow for higher operating temperatures (up to 400° F) for asphalt
- Material grades including HMW and reprocessed are available that provide a cost effective alternative to UHMW
- Please inquire for installation instructions or assistance
